

Oct. 25/08 Guns: # 218

FOR YOUR INFORMATION:

1. Bill C-68, or Prohib 12-6, indicates guns which were prohibited under Bill C-68 & they can only be purchased by people who already own this type of gun. Please ask us if you are in doubt.

2. Some firearms such as machine guns & some s/auto rifles can only be sold to Special Category Buyers & you must be sure that you already qualify.

3. Some firearms that are considered “Antique” by U.S.A. standards, such as modern perc. & flintlocks, & any gun made before 1898, are not always considered “Antique” in Canada. Ask Jim Baggaley about any guns you may want to buy so as to avoid problems. Please familiarize yourself with the current import regulations as we cannot be responsible for U.S. regulations any more than we can be responsible for changes in Canadian regulations.

4. Please note: We cannot store guns forever, so please make your shipping arrangements etc. as soon after the Auction as you can.

5. NOTE!... All ammo & components require at least a P.O.L. & we cannot ship these by regular carriers so please make other arrangements.
